

PUBLIC/TRUSTEE SECTION REPORT 2005

The Public Trustee Section, together with the Paraprofessional Section, sponsored a workshop in June at Casper Community College. This constituted our spring meeting. Pat Wagner spoke on time/project management and stress. As always, she was an inspiring speaker and the thirty or so participants seemed to get a lot out of it. We did not have a section quorum and no business was conducted.

Debi Morley, Big Piney Branch Manager, Sublette County Library, has graciously consented to be the next chair-elect of the Public/Trustee Section.

Respectfully Submitted,
Sukey Hohl
Public/Trustee Section Chair
