

## **2006-2007 Information Power Goals (August 2006-July 2007)**

**Goal #1:** Continuously review and refine the Wyoming Information Power Implementation Plan.

**Goal #2:** Offer Information Power awareness opportunities and programming that informs community organizations and Wyoming librarians of the Information Power standards and principals.

- A. Spring Section Meeting 2006 – David Loertscher “Ban Those Bird Units”
- B. 2006 Information Power Summer Institute (Joyce Valenza)
- C. Fall Conference 2006 – AASL past president (guest presenter) & AASL Leadership & Collaboration Institute
- D. Spring Section Meeting 2007 (strategic plan alignment & bylaws)
- E. Encourage strong participation in the program committee planning for conference.
- F. Utilize LSTA funding for school-library staff development

**Goal #3:** Promote use of electronic informational resources to school librarians and state population and other libraries and librarians outside the school population.

- A. Creation of a SSLMP wiki during the 2006 Info Power Summer Institute
- B. Creation of a SSLMP blog during the 2006 Info Power Summer Institute
- C. SSLMP mailing list
- D. Development of a SSLMP Handbook from the State Library => Website

**Goal #4:** Encourage curricular collaboration between all types of librarians and educators.

- A. Invite the Academic Section to Information Power activities
- B. Fall Conference 2006 – AASL past president (guest presenter) & AASL Leadership & Collaboration Institute

**Goal #5:** Enhance communication, network capabilities, and collaborative efforts between library media personnel in Wyoming.

- A. Use the WEN (Wyoming Education Network) to communicate when face-to-face communication is not an option-especially for section officer meetings.
- B. Continue offering strong programming at the spring section meetings, Information Power Summer Institute, and fall conference which encourages more school library personnel to attend.
- C. Provide time during meetings for collaborative discussions and networking
- D. Support the formation of a joint section meeting in the spring between four of the sections, not just Children’s and School.

**Goal #6.** Identify issues/concerns/needs of the school library media specialists in the state.

- A. Conduct needs assessments following section meetings and summer Institute.
- B. Participate in school library questionnaires/surveys to generate data that may support the need for change due to issues, needs, and concerns that surface from the questionnaires/surveys.
