

## **WLA Conference Committee Annual Report**

The WLA Conference Committee has been hard at work planning our first in-person conference in 3 years for September 28-30, 2022. We have 7 members on the committee. We have implemented a digital conference experience with the inclusion of the Whova app for all at-conference scheduling and vendor information. We have booked the 2023 annual conference at the Best Western Downtown Casper Hotel for October 4-6, 2023.
